

## ENDORSEMENT FORM

We endorse the Better Choices for New Jersey Campaign because we need long-term solutions to New Jersey's fiscal problems, not short-sighted cuts that will make them worse. Our economic crisis is the result of years of irresponsible and short-sighted decisions. We can address our economic crisis *and* ensure a better future by asking a little more of those who can afford it—and by making better choices.

Name of Organization: \_\_\_\_\_

Organizational Representative  
To the Campaign:
